Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Kiki is a cute, charming brunette. She's also really nice and very sexy. She told us that the fact that some girls don't suck cock well makes her sad. She fingers her cunt until she cums.

Naudi is a bi-racial angel. We paired her up with a porno stud, and she gobbles up his big dick with gusto. Then she fucks him until he nuts into her open mouth while she smiles.

Layla wants you to know she's nice. The sexy blonde just turned 18, and she insists she's innocent. We're not so sure. She looks like a bad girl when she fingers her slit and squeezes her big tits as she has an enormous orgasm.

Ivy is a cutie pie in a tiny bikini. Looking adorable in a bikini that barely covers her flat chest, Ivy is a teen dream for horny older men. Our porn stud gives her a XXX ramming.

Chloe is a self-assured teenager. She's a bad-ass and bisexual 18-year-old who makes her pussy cream as she slides three fingers into her tight hole. She's a brunette who told us she loves having her asshole licked and her pussy worshipped.

Dea has a pink slit and a big bush. We're thankful when a Bush Baby chooses to show us her hirsute body. Dea is wearing a black dress and black lingerie (including stockings) that contrast with her milk-white complexion.

London is an athlete and a freak. She's a gorgeous black chick who loves running, and her toned body shows that she does it hard. She masturbates until her fingers are dripping.

Diana is a 25-year-old bombshell. You can tell that she works as a pilates instructor. She gets into a bunch of poses while a rock-hard cock pounds her shaved-hairless pussy.

Natalie might be the cutest teen ever. She's 18 and just graduated high school. She hasn't started college yet. This blonde, angel-faced tart has perky tits, a round ass and the innocent face of a schoolgirl.

Don't let the cute face fool you. Lilith gets nasty. "When I lost my virginity, I also lost my anal virginity," she told us. "Ever since then, I've been obsessed with ass. I love getting my little asshole pounded and stretched. And when I'm sucking dick, I love eating ass and fingering guys until they bust in my mouth. My goal in life is to have two big-dicked dudes pound the hell out of both of my holes at the same time."

Maya

Prague, Czech Republic

When Maya turned 18, she wanted to do something wild. "I'm always doing crazy things," she told us. "Like, when my friends and I are hanging out, I always want to play strip poker or flash truck drivers or see if we can pick up any guys. My best friend says that her number one job is to keep me safe and fully clothed."

"I'm willing to try anything once or twice. The first time I had a guy shove his dick up my ass, it hurt like hell because I wasn't expecting it! That ended the sex session right then and there. But when another guy asked me if I'd try it with him, it was a much better experience. I can cum from anal now!"

"There are tons of things that I want to try now that I'm enrolled in university. I'd love to suck two cocks at the same time. I've offered all of my guy friends BJs if they were willing to let me do another one at the same time, but they all chickened out. I think that's bullshit. I mean, I'd love to have my pussy eaten with another girl right next to me. It'd be hot!"

Keepin' it nice and smooth.

"I really want to try getting my pussy waxed. I hear it hurts like hell, but I love the feeling of being completely hairless down there. I shave my kitty at least once a week. I think having it waxed would feel even better."

Jill Taylor

As an 18-year-old cutie pie with an adorable face, Jill may look inexperienced, but she's already fucked not one, but two guys! The porno stud we hooked her up with was number three. We asked her if there was a difference between her old high school boyfriends and an older guy. "Uhh… yeah! It lasted a lot longer and I was able to cum," she giggled. "I really liked riding on top without worrying about the guy cumming too early."

Sam

Manizales, Colombia

One of our shutterbugs was on vacation in Colombia when he spotted Sam, a gorgeous stunner, in a local club. They got to talking, and the rest is history. These are Sam's first nude photos, and we don't think she'll shoot any more, so you should cherish this issue. Our photographer suggested she start with some yoga poses, but Sam wanted to get naked quickly. Our photographer said he nearly creamed his jeans just from looking at her.

"I pierced my nipples a year ago," Sam told our photographer. "It's an aesthetic thing. I like the way they look. But it also makes every touch way more exciting. I wasn't into boob play that much before getting them pierced. Now, a slight brush or a kiss will send lightning down my spine and make my pussy wet."

"My favorite thing about sex is, and this is selfish, but it's getting my pussy licked. I love it when a man knows how to eat me out. I like a lot of clit sucking and rubbing, and a finger or two inside me, hitting my G-spot, will make me cum like a waterfall. I get insanely wet from having a guy go down on me. I find it fun. I've soaked a couple of beards in my time. Some guys like it. Some don't."

Sam likes 'em small.

"Unlike a lot of girls, I don't like huge penises. I mean, they're attractive, but they're no good for sex. I've tried a couple, and they end up hurting me. When I find out a guy has a big one, I imagine his girlfriend's pussy is loose."

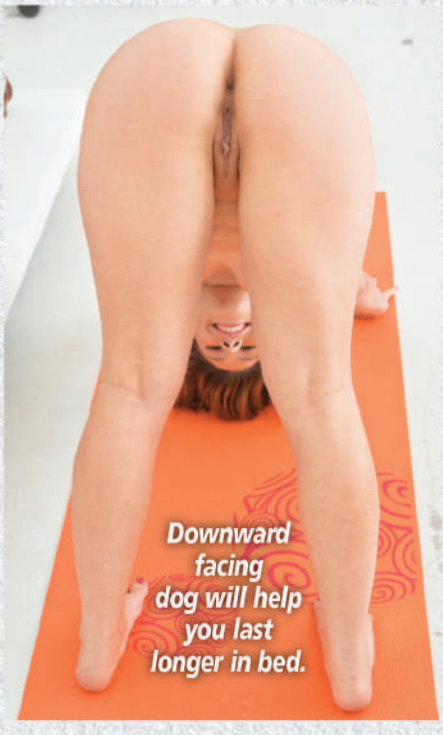
THE YOGA POSE TO CURE PREMATURE EJACULATION.

There's good news if you're not lasting as long as you would like in bed. After reviewing 54 studies examining 3,485 men, researchers from Anglia Ruskin University in the UK have discovered the best yoga pose that can help improve reproductive functions, regulate hormones, strengthen pelvic floor muscles and prolong sexual activity by almost 300%. The pose is appropriately called downward facing dog, and doing it once a day for 12 weeks is all it takes.



Downward facing dog will help you last longer in bed.

ARE SCHLONGS GETTING LONGER?

Even though average sperm counts and testosterone levels have declined in men for over 20 years, there's some interesting news coming from the salami-science world. Cock sizes have started trending upward. According to new research conducted by Stanford University School of Medicine analyzing 75 studies, the average penis length has increased 24 percent since 1992. More than 55,000 men between the ages of 18 and 86 offered to have their willies measured for research. The conclusion found that the average penis in 1992 averaged 4.8 inches erect, while penises now average six inches.

Are cocks getting longer? Scientists seem to think so.

DOUBLE DICK DUDES

Imagine this: the girl you're dating says she wants to be double penetrated. Would you be cool with bringing in another guy? If you had diphallia, you would already have the two cocks necessary attached to your body. Being born with two penises, the definition of diphallia, has only been documented around 100 times since doctors first noted it as a condition over 400 years ago. Most men with diphallia don't advertise it, but if you have two functioning cocks and want to become a pornstar, please contact Model@ScoreGroup.com.

Imagine not having to choose.

Angelica

Los Angeles, California

"I love the beach culture," Angelica told us. "That's why I moved to Cali. Most days, you'll find me wearing cut-off jean shorts and a bikini top. I wake up every morning with an iced coffee and then I head to the beach to catch a few rays before work. If I wake up before dawn, I'll play with my toys and give myself a nice morning orgasm! There's nothing better."

"I recently hooked up with a guy who asked me to give him a footjob. It's not really my thing, but it seemed kind of sexy and fun, so I let him oil up my soles and slip his cock between them. It tickled a lot at first, but then I actually started getting turned on! He busted before I could fuck him, though."

She needs to be filled.

"I'm single right now, and the thing I miss most about being in a relationship is getting creampies at the end of a fuck session. I won't trust a one-night stand to pop inside of me! But I really miss feeling full of cum."

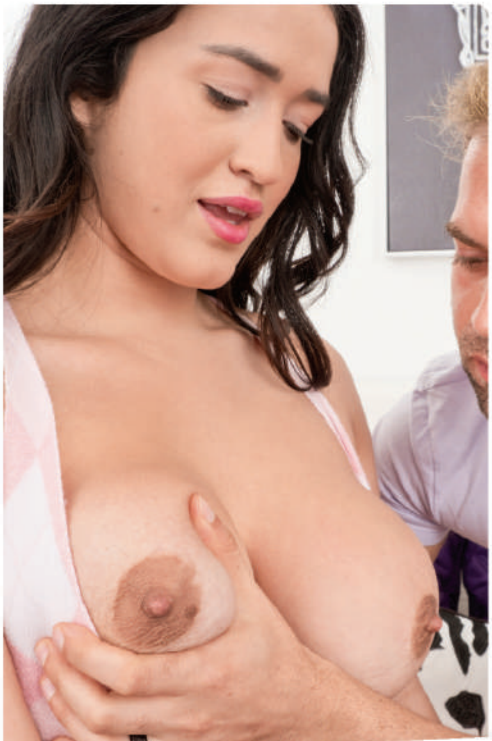
Nia

Miami, Florida



Nia is a sexy Miami babe with tits and ass for days. She's also hornier than hell and knows how to please a dick. She's enrolled in college right now, and she likes to spend her free time playing video games, hanging at the beach and dating. "I love going out and meeting new people," she explained to us. "I'm a really friendly and outgoing person."

"I really like bondage and cosplay. There's this thing called shibari, which is a Japanese art form where you tie naked people up with complicated rope knots. It can be used for bondage, and it's something I've always wanted a guy to do to me. I'd love to have my tits tied up until they're bright pink and begging to be released from the ropes."

“I’m sure you can tell that I like a little bit of pain mixed with pleasure. I also like to show off my body, so I’m definitely what you’d call an exhibitionist. That’s why I’m shooting porn. I want people to get off to these pictures of me. When I go out, I love wearing super tiny and slutty tube tops out in public. I love being the center of attention.”

Show her your school spirit.

"I was a cheerleader in high school. I found my old uniform the other day, but it didn't fit. I'm thinking about buying one of those sexy versions they sell online. I didn't have much sex in school, so I'd love to role-play as a slutty cheerleader."

Hazel

Las Vegas, Nevada

Hazel was on the swim team back in high school. We asked her if she ever had time to date. "Not until my senior year," she replied. "I think that's when guys noticed how good my body was in my swimsuit. Then it was off to the races. My high school sweetheart and I lost our virginities to each other. He's the first guy I let fuck me in the ass, too!"

"I like it when guys are forceful in the bedroom, but I've also started messing around with being a little more domineering. I haven't gone fully whips-and-handcuffs yet, but I can see how that could be fun. I'm a total switch. I like being a sub and a dom. It all depends on my mood. Like, my favorite position used to be doggie, but now it's missionary because it's more romantic."

"When I was in college, I partied my ass off. Not, like, using drugs or anything like that. I just had a lot of sex. I've lost track of how many times I hooked up in bathrooms at house parties. And my dorm room, at one point, was a haven for girls looking for a mouth to ride. I love hooking up with girls, and I fucked almost every one of my college friends."

Hazel has experience.

"It's a tough call because I've done a lot of kinky stuff, but I think the craziest is when I had a girl tie me up and fuck my ass with a huge dildo. Or, it could have been when I had a guy creampie me and then had another girl lick out the cum."

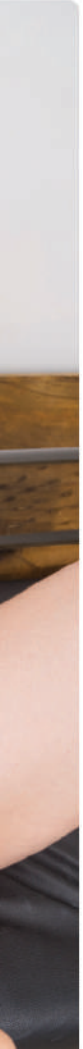
Karla

Atlanta, Georgia

Eric Clapton collects guitars. Jay Leno collects cars. Karla collects sex toys. The ones you see in these pictures are just the tip of the iceberg. "I don't have a boyfriend right now, so my toys keep my pussy satisfied day and night," she explained. "I still used them with my last boyfriend because I know how to get myself off better than he ever did."

"The hardest I've ever cum was when I first discovered butt plugs. I got in a hot bath, stuck the plug in my ass and then let warm water from the faucet hit my clit. When I started to feel like I was on the edge, I grabbed a nice, thick dildo and slid it into my pussy. Then, I used my waterproof wand vibrator on my clit. It's like I orgasmed into another dimension!"

Karla told us that she spends a lot of time masturbating, but that's not all she does. She enjoys walking her dogs in the park, going to movies about once a week, discovering small restaurants and playing pool. "I like to keep myself active," she explained. "Honestly, I masturbate a lot because I feel like with a sex drive as high as mine, I need to release the pressure before I can do anything else, and I like to go out and have fun."



Karla's happy ending.

"One day, I want a man to give me a full body massage with oils and hot, dripping candle wax. Then he'll finger my ass and pussy really slowly before flipping me over and finishing me off with one of my vibrators."

look like Pete. When Pete shakes your hand and flashes you a smile, he'd probably remind you more of a middle school principal at a parent-teacher conference than a used car salesman or the owner of two all-nude exotic clubs, the latter of which is true. Pete is an alias, and he has requested that we not divulge too much information that could give away his identity or whereabouts. We met once at a small artisan coffee shop for introductions and then at a small round hi-top table in a dark corner of one of his clubs the next day.

The first question that leaped to mind was why did he need a pseudonym?

Imagine going to work and seeing naked girls every day.

"There's a social stigma to my line of work," Pete replied. "It's undeniable. Banking in this industry is difficult, relationships with new friends can be tricky, and…" Pete trailed off for a second, looking toward the stage where a flexible blonde named Trinity bounced her ass to a Nine Inch Nails song. "I have a family that, even if I didn't mind being labeled a dirtbag, I would hate to have them feel embarrassed. I put food on the table and don't break any laws. I think it would surprise a lot of

people to know that I'm a Christian man and volunteer for a lot of nonprofits." He seemed sincerely candid in his response, not that he needed to convince a writer for a pornographic magazine that selling sex is taboo. The next question was how much food he put on the table. Meaning, how lucrative are his strip clubs? "I make a really good living, yeah. The first one I bought is more of a bar than a club, even though there's a small stage. It had a track record of positive ROI (return on investment), but I could tell it was mismanaged. When I took over, I spent about three months doing renovations and focusing on setting up KPIs (key performance indicators). I tried to diversify our client base. After two years, the bar was pulling in nearly twice the profits. I don't want to answer your question directly, but I will say that if I wanted to, I could've bought my Mercedes with cash, and it wouldn't have hurt my checkbook. But they offered a much lower price when I financed it." Trinity had finished her third dance and had already collected the scatter-

Destiny

Fort Lauderdale, Florida

Destiny shared that she was recently stood up on a date. "I went out with him once, and we had a really good time, I thought," she told us. "Then the guy ghosted me. What the hell? Like, at that moment, I thought to myself that I should just go where I'm wanted. I have a friend who posed for ***Naughty Neighbors***, and she kept telling me how fun it was. I thought, 'If that jerk who stood me up doesn't want to see me naked, I'll bet millions of other guys do.'"

She's a good girl.

"I'm a giver in the bedroom. I even like to lick my man's ass when I'm giving him a blowjob. I love taking orders, too. I love to swallow cum and beg for the load as the guy gets ready to shoot it down my open throat."

Violet

Knoxville, Tennessee

We asked Violet if there's anything she wants to experience that she hasn't yet. "Yeah! I want to go abroad," she said with a big smile. "I'd love to go to Europe or Asia. I also want to fuck a billionaire. I should find one willing to take me on a grand vacation. But if you're talking about strictly sexual dreams or fantasies, I don't have a lot that I haven't already tried. I've done a bunch of stuff and know what I like."

hello
Sunshine

We asked Violet what kinds of porn she likes to watch. "It's all the usual stuff," she explained. "I like role-playing stuff with older guys and younger girls. I enjoy BDSM, where the girls are forced to cum over and over again while giving blowjobs or whatever. And I like videos where the girls do the filming."

Room for one more?

"I think the craziest sex I've ever had was in a swingers club. I was dating an older guy, and he wanted to parade me around like his arm candy. But when we started to fuck on one of the beds, another girl joined in."

"The thing that gets me off harder than anything else is a finger and tongue combo on my pussy. My favorite position is doggie-style. I enjoy how deep I can take a dick when I'm on my knees. I also enjoy that a guy can pull my hair a bit, finger my asshole or slap one of my cheeks."

Gigi

Portland, Oregon

Hot damn! Gigi and her rack sure are impressive. Her tatas are even more impressive because they're attached to a cool chick you would love to hang out with. She's single right now and ready to mingle. She loves going to breweries, eating at nice restaurants and working out to keep her body tight.

We asked Gigi if she likes getting attention because of her big breasts. "Of course," she told us. "I like wearing plunging necklines and sexy, lacey bras that look cute. I don't really need much support because my boobs are naturally perky. I just like looking good and getting extra attention. I'm lucky to be this busty and love having my tits caressed and kissed. There's no shortage of guys who'll help me out."

To be a fly on that wall...

"I played volleyball in school, and there was a rumor going around that my tits were fake. When our team took showers together, all of the other girls would sneak peeks at me. It kinda turned me on. They were jealous of me."

shot of ones and fives on the stage. Nicholette, a beautiful black girl who looked like a college student but was dressed as a Catholic schoolgirl, was on stage. Rihanna boomed, and the crowd cheered and swayed. Since I arrived, around two dozen men had walked past the hulking bouncers and grabbed tables or a spot at the rack. Looking around the room, I noticed that the customers looked young, eager and professional. Pete said, "Over the past few years, a lot of industry and tech companies have opened on this side of town. The guys are young and are getting paid well. They come in and make sure my girls are paid well, too. For the most part, they're really respectful." But that can't always be the case, can it? When asked how bad things can get in a business filled with drunk, horny men, Pete looked uncomfortable. "A strip club is never going to be a bakery. There are some extra precautions we have to take. top-notch. I pay more for security than any other club in the area to make sure. We do still have issues. The worst customers always come in large groups. Sometimes it's military guys, sometimes it's bachelor parties and sometimes things break out for seemingly no reason at all. The military guys usually start shit inside but don't mind walking off-site to work things out. They're good tippers, though. Violence against the dancers will result in an aggressive response. That is completely unacceptable. My security team has been known to use pepper spray a bit longer than they recommend on the can when the girls are being harassed. That's the worst. You don't want to fire that off in a small room."

Our conversation shifted to the dancers themselves. Pete offered to rapid-fire answer some questions. What's the interview process like? "It's pretty simple. If over 21, they're attractive and can have a long conversation while flirting, they'll get a shot." Are any of the girls actually putting themselves through college, or is that a line? "That's the truth. Some do. Some are lifers. The turnover is high in this business, but a pretty girl with a hard work ethic could probably pay for her classes by dancing." Have you ever caught a girl fucking a customer? "A few times. They were all told to leave immediately. I'm not going to jail for them." How much money can they make in a night? "I've seen some girls rake in over two grand, and I've seen some make around a hundred bucks. Those are the highs and lows. There are anomalies." What's your cut like? "I charge the dancers a house fee and a cut on lap dances. They keep the stage money. I've been told I'm one of the more generous owners."

After Pete and I finished our chat and our drinks, he was asked to tend to some business in the back office. Apparently, one of the girls was on her period but still wanted to dance. He apologized and said he appreciated our chat. Another schoolgirl, Amber, a stunning redhead with a tight ass and perky tits, emerged from behind the red velvet curtains and began to spritz the brass pole with a bottle of sanitizer. Maybe she'd strike it big tonight and take a chunk out of her student loans. Ⓝ

Ara

London, England

Born in the Czech Republic, Ara followed her dreams to London to study fashion and photography. "I'm very comfortable in front of or behind the camera," she told us. We didn't let her use our cameras to test her shooting skills, but she sure does pop on film! "I never imagined myself doing porn. What it came down to for me was, why not? It looks like a lot of fun."

We asked Ara if she considers herself a show-off or an exhibitionist. "Not exactly," she replied. "My favorite thing is to have really deep and meaningful sex, and that doesn't mesh with having a bunch of people watching me. It does turn me on in a way, though, I have to admit. It's like, I enjoy chocolate ice cream, but I like vanilla a little bit more. Sex is all about balance."

Because Ara is very petite and the cock sliding into her pussy is the size of her wrist, we asked her if she likes them large. "I do! I like them smaller, too. If a guy is good at foreplay, pretty much any size can do the job. It's probably easier for me to cum from penetration alone when the guy's big, but I can cum from other things, too."

Cum stay for a while.

“I was staying in a hostel when I first moved to London. I ended up fucking the only other long-term occupant. We had sex on every bed in our dorm so that we could say that we had. Nobody else ever found out.”
